ACKNOWLEDGEMENT

Nirmal Haloi College family expresses its sincere acknowledgement and heartfelt thanks to the visionaries, the architects, the makers, the donors and all and sundry who were actively involved in the birth of the institution and its growth and sustenance.

PROFILE OF THE COLLEGE

Nirmal Haloi College came in to existence on July 30, 1979 through the untiring efforts of a group of visionaries of the locality surrounding Patacharkuchi.

At the time of foundation, the institution was named 'Pragjyoti College'. 'Pracchya Sangha', the oldest sport and socio-cultural organization at Patacharkuchi, made the dream of the visionaries a reality by offering the entire set-up for all the administrative and academic functions of the college. The college was shifted to its present location in March 1988.

The first batch of students, comprising 52 boys and girls, was admitted into the Pre-University (PU, now HS) class on 30/07/1979; of the total 52 students 28 were boys and 24 girls.

An eminent teacher of History at Bajali College Late Krishna Kanta Goswami was the founder Principal. At the initial stage there were no permanent faculties. Some selfless and dedicated teachers of Patacharkuchi Vidyapith H.S. School, imparted teaching without any remuneration.

B. A. Course was introduced in the year 1985 with 32 students on the roll. Of the total students enrolled, 20 were boys and 12 were Girls. The first batch appeared at the final examination in 1988.

B. Com. course is introduced as self financing in 2017 with Major.

The college got permanent affiliation of B. A. Part-I of Gauhati University in 1987 and B. A. Part-II in 1989. College came under Grants-in-aid system in 11th January, 1996.

N. H. College was assessed by NAAC in 2005 and was accredited C++.

The college came under Assam College Provincialisation Act. in 2005.

It came under 2(f) and 12(B) of UGC in Nov, 2007.

A bird eye view of the Department: The sole mission to establish Nirmal Haloi College (earlier Pragjyoti College) is to provide education for the poor and disadvantaged with accessibility to higher education by bringing the education to the doorstep. Keeping the mission in front the Department of History was established from the time of inception. The founder of the institution realized the importance of the subject as the famous historians realized- what men have done and said and above all what they have taught. Establishment of the Department has been done, but the problem of getting the qualified teachers was the major problem. Hence they appointed two qualified teachers from the nearby Higher Secondary School.

There was very good response from the students. The changing pattern of course at the Pre degree and higher secondary school solved this. Secondary courses brings a set back to the subject not only in this institution but also within the state as a whole. History has been made an optional subject at the secondary schools. The UG course has also paid less attention to the subject. The list of founder teachers and details of the students' enrollment in the beginning are appended below

Present position of the department
 Presently the department of History is functioning as a full-fledged department offering the following programme of studies.

- P.D. Course : (Higher secondary course First and second Year)
- UG Course : (Semester Course with Major and General)

The Department is equipped with a fully qualified dedicated teaching staff to meet the requirement of the course/curriculum. The details of the teaching staff are listed below.
